REYNOLDS HISTORICAL  
GENEALOGY COLLECTION

GEN

ARTICLE I

Section 1

All legislative Powers herein granted shall be vested in a Congress of the United States, which shall consist of a Senate and House of Representatives.

Section 2

The House of Representatives shall be composed of Members chosen every second Year by the People of the several States, and the Electors in each State shall have the Qualifications requisite for Electors in that State.

Section 3

Senators and Representatives shall be sworn or affirmed before entering on the Duties of their Office, that they will support the Constitution.

They shall also swear or affirm that they will not accept of any present or Emolument, Title, Office, or Pension from any Power, without the Consent of the House of Representatives.

Section 4

The House of Representatives may impeach and try any civil Officer of the United States, and may remove him from Office.

# PLEASANT HILL CEMETERY

Pleasant Hill is a Township cemetery in Portage Township. Avery Cosner, McCobb, R. R. 2 is caretaker. To reach Pleasant Hill from Wridlay, take Ohio 12 to Liberty School, (1.8 miles from city limit sign) turn north on County Road 139, go north for 6.8 miles and turn east on County Road 109 for three-tenths of a mile to cemetery, on south side of road.

# REVIEWS

and must be of the highest quality

and must be of the highest quality

and must be of the highest quality

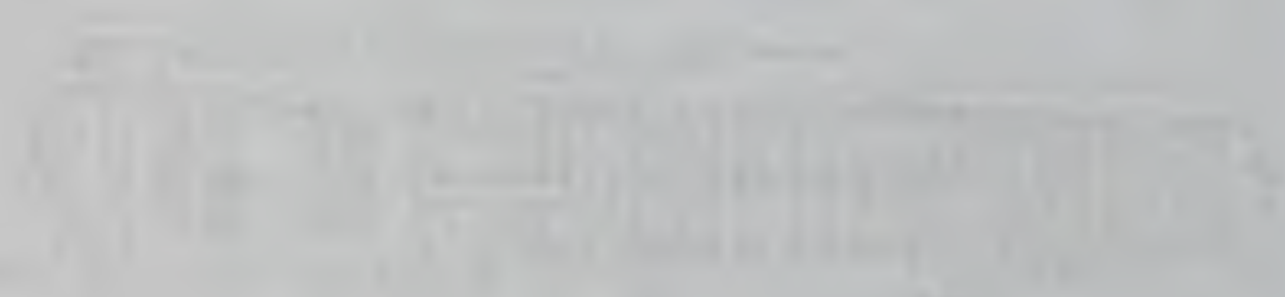

The following table shows the results of the experiments conducted on the various samples of the material under investigation. The data is presented in a clear and concise manner, allowing for easy comparison and analysis of the results. The table is organized into columns representing different experimental conditions and rows representing the various samples tested. The results are presented in a numerical format, allowing for precise measurement and comparison. The data shows that the material under investigation exhibits a wide range of properties, with some samples showing significantly higher values than others. This suggests that the material is highly variable in its properties, and that further research is needed to understand the factors that influence these properties. The results of the experiments are presented in a clear and concise manner, allowing for easy comparison and analysis of the results. The table is organized into columns representing different experimental conditions and rows representing the various samples tested. LINDOWER, Christena, wife of Charles  
died June 2, 1842 aged 30 yrs. 6 mos. 12 ds.

## UNION CEMETERY

Located in Biglick Township, ten miles from Findlay, north east on Findlay-Tiffin Road (Ohio U. S. 224). It was first the property of the United Brethren Church which deeded the cemetery to the Union Cemetery Association March 22, 1875. The Association secured the new addition from William Diebley June 18, 1903.

Ralph F. Dreisbach is president of the Union Cemetery Association and Merritt Metzker the clerk. Howard Kinney, Route 2, Fostoria, Ohio, is the present caretaker.

COMPILED BY JANICE BARBER (MRS. GEORGE B.) REDDIN
